## **USA Swimming**

**Registration:** All swimmers, coaches, and officials participating in this competition must be currently (2018) registered with USA Swimming. No swimmer will be permitted to compete unless the swimmer is a member as provided in Article 302. All should also be prepared to present their USA Swimming ID Card as proof of their registration to the Meet Director or designee at any time. Swimmers who 1) late enter when possible; 2) need to be late-entered because of clerical errors by the entering team or the Meet Host; or 3) are not entered in this meet and choose to enter time trials, if offered, will be required to present their USA Swimming ID card or proof of membership using the USA Swimming Deck Pass app (or a coach may present the club's official, watermarked roster from the USA Swimming club portal). Current national and LSC regulations do not allow for exceptions to these policies.

## **Unaccompanied**

**Swimmers:** Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

## **Qualifying**

**Times:** The qualifying time standards for all individual events are the STS STAGS Qualifying Times or faster. Qualifying times must be achieved prior to the deadline. There are no qualifying times for relay events.

If entering with a non-conforming time (SCM or SCY), the swimmer must enter with the time achieved in the non-conforming course. Converted entry times will not be accepted. Seeding for preliminary heats shall be in the following order: long course meters, short course meters, and yards (LSY).

## **Proof of**

**Time:** Proof of time must be submitted with the entries. All entry times must be verifiable using the USA-S SWIMS database. In cases where a claimed time does not appear in SWIMS due to a clerical or posting error, a copy of the official meet results, signed by the Meet Referee, will be an acceptable proof of time. Times used to enter a meet must have been achieved in a USA-S Sanctioned, Approved, or Observed meet. All proofs of times are the responsibility of the entering teams, not the meet host. Entries without an acceptable proof of time will not be accepted.

**Age up Date:** The age of the swimmer will be his/her age on July 12, 2018.

## **Entry**

**Restrictions:** An individual swimmer may enter a maximum of three (3) individual and one (1) relay event per day.

**Time Trials:** Time trials will be conducted on Friday, Saturday, and Sunday at the discretion of the meet management (time permitting). Time Trials will start no later than 30 minutes after the conclusion of the last event. The time trial deadline will be posted at the clerk of course.

Time trial entrants who are not already entered in the meet must present their current USA Swimming registration card or proof of membership using the USA Swimming Deck Pass app (or a coach may present the club's official, watermarked roster from the USA Swimming club portal) to enter into events. Swimmers may enter up to three time trial events per day if they are not already entered into the meet. The meet host will schedule time trials in the most efficient way possible without consideration of how many time trial events a single swimmer enters.

Swimmers must be registered with South Texas Swimming to participate in time trials. Participation in a time trial event counts as one of the daily total events allowed for swimmers already entered in the meet. A qualifying time earned during time trials will NOT qualify a swimmer to swim that event at this meet.

Time trial event results will be published with the final meet results.

Time trial entry fees: Individual events \$20.00; Relay events \$40.00 - includes the \$1.25 STSI splash fee.

### **Relay**

Relay team members must be eligible to swim in the same age group. Swimmers cannot "age up" for relay events. Unlimited number of relays per event per club (A, B, C, etc.) but only two relays per event per club will score. Relay cards must be turned in to the Admin Official/Referee or designee with final relay swimmers by 8:45 AM on Friday and by 6:30 PM on Friday and Saturday night (for Saturday and Sunday's relays respectively). **Warm-up  
Procedures:**

The South Texas Swimming Safety Guidelines and Warm-up Procedures on page 11 will be in effect at this meet. A designated area of the pool will be available for warm-ups throughout the meet. Warm-up times and lane assignments for each team will be posted on the STSI website along with the psych sheet. Warm-up times and lane assignments for each team will be posted in the Natatorium, on the South Texas Swimming website at [www.stswim.org](http://www.stswim.org), and e-mailed to the coaches. Warm-ups must be under the direct supervision of a coach at all times.

**Scratch  
Rules:**

There is no penalty for failing to scratch from a *pre-seeded* preliminary event.

The top 16 qualifiers in each preliminary event will be announced and posted shortly after the final heat. ALL qualifiers have 30 minutes in which to scratch if they do not desire to compete in the finals. As top qualifiers scratch, other swimmers become eligible for finals. So if a swimmer does NOT want to swim in finals, they must scratch their name on the list with the Administrative Referee no matter how far down the list their name appears. The athletes swimming in finals will be posted as soon as possible after the 30-minute scratch period.

Scratches may be accomplished by a coach, swimmer, or parent, but they must use the STSI Scratch from Finals form and it must be signed by the swimmer's coach. No verbal scratches or scratches made without the official Scratch form and the signature of the swimmer's coach will be accepted.

***Swimmers who qualify for finals and elect NOT to compete in finals must scratch or declare INTENT to scratch with the Administrative Official within 30 minutes of the announcement.*** Swimmers who declare an intent to scratch will then have 15 minutes after the completion of their last individual event of the session to confirm the scratch. Following the 15-minute deadline, if scratch confirmation is not received it will be assumed the swimmer will compete in the finals event.

Swimmers who fail to compete in a positive check-in event after positive check-in will be disqualified from their next individual prelims event. For a no show in a finals event (any swimmer who qualifies for a final and does not scratch and then fails to compete in the finals heat), the penalty is \$50 per event and disqualification from the swimmer's next individual prelims event. When the no-show is on Sunday or if

the athlete has no remaining individual events, the fine is \$100 per event. Illness and injury may be excused by the Meet Referee and this policy does not apply to alternates.

A swimmer who fails to compete in a finals event on Sunday will also be barred from competition in subsequent South Texas Swimming sanctioned meets until any such fines are paid to South Texas Swimming.

- c. Sprint lanes are for diving from blocks or for backstroke starts in specified lanes at designated times and from the designated end. Swimmers must exit the pool on the opposite end.
- d. There will be no diving in the general warm-up lanes—circle swimming only.
- e. No kickboards, pull buoys, or hand paddles may be used.
